Book review for:

# *Promise and Potential* *A Life of Wisdom, Courage, Strength and Will*

By Scott F. Paradis

The prayer of *Promise and Potential*, a new book by Scott F. Paradis, is, “May God grant you: wisdom to find your way, courage to proceed, strength to overcome, and will to persevere.” Only by recognizing the promise of this life can we come to fulfill life’s potential.

*Promise and Potential* strikes a chord of truth artfully navigating between inspiring stories, timeless wisdom, and refreshing insight to give the reader pause to consider, hope to envision, and courage to act. The journey through the pages of *Promise and Potential* is poetry and prayer – a unique offering from a unique perspective.

In a life lost in ego human beings miss the promise and forgo their greatest potential. *Promise and Potential* leads readers through six inspiring chapters, each beginning with an illustrative story flowing from the theme of a life of promise and potential. Building on wisdom, courage, strength and will the reader arrives disarmed, to recognize the promise of every life to be and become – the reader comes to know a purpose every human life is destined to fulfill.

*Promise and Potential* offers humble guidance in an often hurried, confusing world. This is an easy, enjoyable, and insightful read that will cause you ultimately to rejoice as you recognize the promise in your life and act to fulfill its potential. An uplifting voice communicating a timeless message in trying times: “accept, forgive, let go, live.”

Recognize life’s promise; fulfill life’s potential.
